

*AMCF President and  
Principal Supporting Organization  
AMCF Future Issues*

**Q1. What are the greatest challenges facing tomorrow's MCF leaders, and how can the PSOs help them prepare to "rise and shine" in the face of them?**

?

**Q2. What are the most important character qualities and personal disciplines for a successful future MCF leader to develop and strengthen?**

**Q3. The AMCF Reference Handbook states that, "...every country in the world [should] have an MCF that is becoming mature and effective." What are the key characteristics of a "mature and effective" MCF that rising MCF leaders should try to develop?**

**Q4. The AMCF began in 1930. What is your vision for the AMCF when it celebrates its 100th anniversary in just six years and begins its second century?**

**Q5. If you were mentoring a young MCF leader, what counsel would you give him or her as they face these challenges?**
